Anatomical Material Use Agreement

Your request shows that images/recording will take place during the lab event.

Please provide the names of participants taking images & purpose:

All course attendees must agree to the following:

Initials

_____ 1. Anatomical material must be treated with respect and dignity. It is a privilege to be able to use these specimens and use can be revoked if they are mistreated.

_____ 2. To protect the dignity and privacy of the donor, the face and/or any other identifying feature of the material shall never be publicly displayed in any way.

_____ 3. ANY photography, video or other images of anatomical material requires pre-approval in writing.

_____ 4. Social media postings and image usage for marketing purposes are strictly prohibited.

_____ 5. Photographs or other images unrelated to the intended studies are always prohibited.

_____ 6. Once approved, ALL publications must include the following acknowledgement to donors:

“The authors wish to thank individuals who donate their bodies and tissues for the advancement of education and research.”

I, ______________________________________, have read and agree to the above rules pertaining to the use of UC anatomical materials.
